### Items Out, Renewals

This next section shows all items currently checked out to your account. You'll see the title, due date, and etc. If a renew button is shown to the right of the due date, you can just click on it to renew the item. The item might show "Not Renewable". This might be for a number of reasons: If it is on reserve by someone else, or that type of item (e.g. DVD) is not renewable, or you have fines over the limit, or your card has expired.

## Reserves/Requests

Welcome, Ted E. Bear! (not you? [Click here](#))

0 items on reserve.

- Have some favorite authors? Arrange to [receive new items](#) by selected authors automatically.
- Going out of town? You can [defer](#) your reserves until you get back.
- Is the library missing something? You can [request](#) that we purchase it or borrow it from another library (Interlibrary Loan / ILL).

This section lists any reserves you have placed and it typically notes your place on the reserve waiting list. It also shows how you elected to be notified. The “Copies” column indicates how many copies the library has of that title. Note that you can cancel the reservation on items that are not ready.

Have Some Favorite Authors? – Click the “[receive new books](#)” link and a list of popular authors will appear. Select your favorite(s) from the list and a reserve will automatically be placed for you when any new titles arrive at the library.

Going Out Of Town? – You can avoid losing your place in any reserve line by indicating when you will not be available. If your turn comes up during any of these times, you simply move one place down in line. You’ll get that favorite item you’ve been waiting for without going to the end of the line. To indicate when you’re unavailable, click “[defer](#)” and you’ll see a calendar pop-up. Click any date to mark it is an unavailable. It will turn blue. Click again to mark it is as available. It will return to white. You can move to different months as necessary with the arrows in the top left and right. You can also click/hold across days or weeks to mark a date range.

Is The Library Missing Something? Place a request for an item here and this will inform the library staff of your request.

The bookmark section is for your convenience. The library does nothing with your list. This feature could be very useful when doing research and a bibliographic reference will be needed. You may wish to use bookmarks as a reminder of things you want to read in the future or have read in the past. When you are logged-in to the Public Catalog, and view individual records, you can simply click the, “*Bookmark This Item*” button. To remove a bookmark, click the “*Remove*” button found at the end of a book marked title in your account.
